Des Moines, IA

Dear Mr. Jones:

The City Council of Griswold is fully committed to using I-Jobs II money (if awarded) and SRF Construction Loan money as well as additional loans to cover any portions of the project not eligible for SRF funding to complete the necessary improvements to their storm water system; as indicated by their resolution supporting the application for I-Jobs II funding and letters of endorsement for the project. They have completed a preliminary engineering report of their system and will be submitting that report along with an IUP and Green SRF/SRF Construction Loan application this Fall (2010).

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Janson". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
